6 Title: Apparatus and Methods for the Treatment of Presbyopia using Fiber-coupled Lasers

8 AMENDMENT (C) (submitted on January 7, 2002)

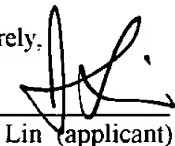

RECEIVED  
JAN 14 2002  
TG 3700 MAIL ROOM

10 Examiner: Lee S. Cohen /3739  
11 Assistant Commissioner for Patent  
12 Patent Office, DC

14 Dear Sir:

15 In response to your Office Action mailed on 10/12/01, please find Amendment (C) below, noting that  
16 Amendments (A) and (B) were submitted to the earlier Examiner of this application (Mr. David Burd). Please  
17 refer to Amendment (A) & (B), if needed. However, this Amendment (C) can be considered as self-consistent  
18 and it is the most up-dated one. I attached: (I) Clear version, (II) Version with markings for changes, and  
19 (III) Remarks in response to Examiner's comments.

21 Sincerely,

22   
23  
24 J. T. Lin (applicant).
